

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + Refrain from automated querying Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. Incorporated 1883.—Paid up Capital \$500.000.

THE WINNER INVESTMENT CO.

10 Per Cent. Bonds.

IRST Mortgage Security on 10,730 acres of land at cost, directly opposite Kansas City, Mo., to be connected therewith by a free bridge and rapid transit. Bonds \$500 each, due April 2, 1893. Coupons payable April and October. Ten Per Cent. Guaranteed. A bonus or 2½ Shares of the capital stock of the North Side Land and Mortgage Co. accompanies each bond. Estimated value of stock, within five years, at least equal to the investment. Nets 10 per cent to the investor.

8 Per Cent. Bonds.

FIRST Mortgage Security on 138 acres of land at cost, located east of Kansas City limits, in the new and growing manufacturing Blue Valley district of the city. Eight railroads traverse this valley. Best of drainage, and desirable location for both manufactories and resistences. Eight large factories in operation and under construction. Bonds \$500 each, due January 2d, 1893. Coupons payable January and July. Eight per cent. guaranteed. One share capital stock in the Boston Land and Mortgage Co., par value \$500, accompanies each bond. The par value of the stock will unquestionably be obtained in addition to the return of the investment, in five years. Nets 8 per cent. to the investor.

8 Per Cent. Mortgages.

MOUNTS, \$250 and upwards. Principal and interest fully guaranteed. A special security for each mortgage, additional to the guarantee given by the deposit of 25 per cent. with the American Loan and Trust Company, of Boston, 40 per cent. and less of an actual selling price the basis of value. These mortgages are the best investment of their class in the market, and the special deposit makes them five times as strong as a Debenture Bond. The rate of interest is the original rate, eight per cent. paid by the mortgagor to the Company. These mortgages net eight per cent. to the investor.

"The investments offered by THE WINNER INVESTMENT Co. have the indorsement of the leading banks of Kansas City, and the Eastern stockholders are among the strongest of the financial men of Boston and vicinity."—

ASHLAND HOUSE.

Fourth Avenue and 24th Street.

H. H. BROCKWAY,

NEW YORK CITY.

PROPRIETOR.

A MONG the many first-class Hotels surrounding Madison Park, the ASHLAND is the most central (for business or pleasure) to City Visitors. The Elevated Railroads stopping at 23d Street station (in the midst of places of amusement and fashionable retail and wholesale stores), and 23d Street cars bring passengers to the door. The Fourth Avenue line of cars passes the house going down-town to the Great Brooklyn Bridge and General Post Office. Also going up-town to the Grand Central Depot (which is only ten minutes ride from the Hotel). The cross-town cars from door carry guests to and from Erie and Coney Island R. R. Depots, and Steamboats landing foot of 23d and 34th Streets, East River, and 23d Street, North River.

Passengers coming from or going to the West Shore Rail Road take the 42d and Grand Street Ferry R. R., known as the Green Car Line, which passes the Hotel at 23d Street and 4th Avenue.

One of the chief attractions of the Ashland is its first-class

restaurant, second to none in the city.

The house being conducted on the American and European plans, guests have the choice of rooms with board, or rooms without board.

PRICES:

ROOMS WITH BOARD,	-	-	-	\$2.0	o, \$2.50 and	l \$3.00 per day
ROOMS WITHOUT BOAR	D,	-	•		- \$1.00	and upwards.

GUARANTEED WESTERN

MORTGAGES, Farm or City, are safe investments.

These Loans are in amounts within the reach of the small investor.

They are made in sums of \$250 and upwards, are TRANSFERABLE, and net to the holder, 6, 7 or 8 per cent. interest, according to the class.

A strict inquiry will reveal the safety of these securities and that they are held largely by conservative investors.
